

Wall Clocks for the office with style

Motiv8 are a clock specialist supplying a range of quartz and radio controlled clocks into the office and home market. For your information radio controlled simply means the time is automatically controlled through radio waves and you will never have to manually change the the time again We also carry a range specifically for schools which feature both 12 and 24 hour versions. All our clocks come supplied with batteries and carry a 6 month warranty.

All Prices excluding VAT
